

Myhre Equine Clinic

New England Regional Imaging Center

(Formerly Rochester Equine Clinic)

November 6 & 7, 2009

22nd Annual Farrier / Veterinarian / Owner Conference

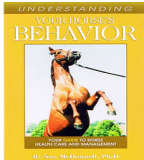

Dr. Sue McDonnell MA, PhD, Cert. Animal Behaviorist, Dept. Head at
University of Pennsylvania New Bolton Center

Highlights: “Knowing What Your Horse Is Thinking”

Day 1: Equine learning and cognition, positive behavior modification, and is it a physical or psychological problem. Farrier **Laura Florence** will address the farriers' viewpoint, and **Ron Vin** DVM, Dipl. ACVIM, will update metabolic laminitis.

Day 2: Demonstrations including the farriers' relationship to the horse, prevention, and overcoming aversions to injections, shyness of the head, ear, & mouth, and loading/unloading horses for transport. Renowned Farrier **John Blombach** will lecture & demonstrate relating to his hunter/jumper shoeing experience and knowledge. **Tim McPhee** will discuss his experience as an international competitor and demonstrate forging & shoeing techniques.
