

Myhre Equine Clinic

New England Regional Imaging Center

(Formerly Rochester Equine Clinic)

March 4th & 5th 2010

“30th Annual Veterinarian / Technician Conference”

Dr. Johanna Reimer, VMD, Dip. ACVIM

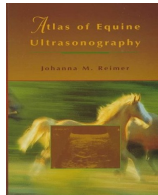

“Ultrasound Diagnosis of Medicine Cases and Musculoskeletal Imaging”

Dr. Reimer has been a facilitator of the AAEP Ultrasound Wet Laboratory, lecturer, author, and clinician at Rood & Riddle Equine Hospital. Topics will include **ultrasound lectures of musculoskeletal imaging of the hind limb suspensory, pelvis, stifle, and tarsus. Wet labs will consist of the musculoskeletal system, chest, and abdominal diseases**. In addition, interesting clinical medicine cases and a practical approach to deworming founded on evidence based medicine will be presented by Ron Vin DVM, Dip. ACVIM along with other lectures.

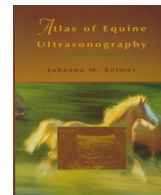

Thursday: DVM lectures at The Governor's Inn with introduction by Ron McDaniel “Cowboy Poet”

Technician AM lectures at MEC/PM at The Governor's Inn

Friday: Ultrasound wet laboratory and demonstrations at Myhre Equine Clinic

Myhre Equine Clinic
P.O. Box 1673 / 100 Ten Rod Road, Rochester, NH 03867
